Projects Covered

- **Basic programming.**
- **100+ Programs of C**
- **100+ Programs of C++**
- **Calculator.**
- **Real time projects.**
- **5+ Projects**

www.codingcircleacademy.com

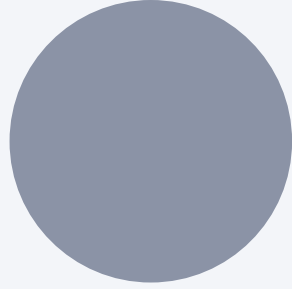

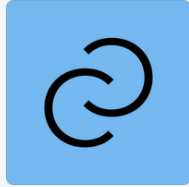

SALIENT FEATURES

- 01 Practical Learning
100+ Programs
- 02 Real world
Projects Experience

- 03 Gain Industry
Experience
- 04 Industry Level
Certification

www.codingcircleacademy.com

WHY US ?

**Practical Learning
of concepts**

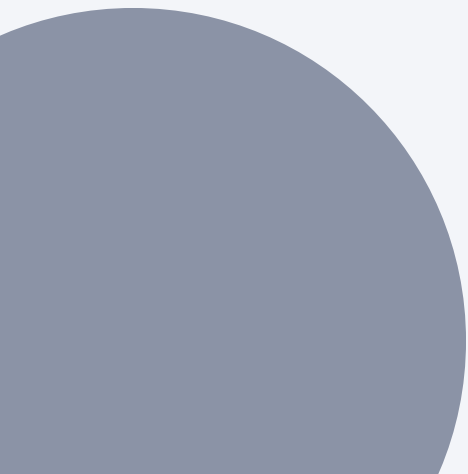

**Building Real
World projects**

**Industry Level
Certification**

www.codingcircleacademy.com

YOU WILL BE OUT WITH ?

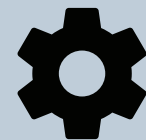

Course Certificate

Finally, You will be receiving a Course completion certificate

Best Portfolio

You will have bulk of best projects in your Portfolio to showcase your skills.

Technical Skills

Technically you will be fully prepared to work upon the best projects in future.
